

## The CHS Honor Roll Lunch Program

The CHS Honor Roll Lunch program rewards students who have good semester grades by granting them the privilege of going off campus for an extended (one hour) lunch on the designated dates. It is not necessary for you to check out your student or pick them up. The rewards are:

**Red = A's and B's for his/her final semester grades. Students are rewarded with 3 extended lunches per semester and are allowed to go off campus.**

**Gold = A's in ALL classes for his/her final semester grades. Students are rewarded with 6 extended lunches per semester and are allowed to go off campus.**

The 2017 fall semester Honor Roll dates will be for 10th, 11th and 12th grade returning students and will be based on their final semester grades from the 2nd semester of last year (2017 spring semester). All new students to CHS, including freshmen, New Tech transfers and students new to CISD, will be eligible for the program for the 2018 spring semester dates based on their final semester grades from the 2017 fall semester.

Eligible students must have parent permission in order to be in the program. HONOR ROLL LUNCH PERMISSION IS ONLY AVAILABLE ONLINE. Parents give or deny permission by updating the CISD student registration system (InfoSnap). Permission must be given even if the student is 18 or older.

Students must have both authorization from their parents/guardian AND be on the list of students with A's or A's and B's. Students will be required to show a valid picture ID (CHS student ID, CISD bus pass or a driver's license/permit) before they are allowed to leave campus.

A list of those students qualifying for Honor Roll Lunch (eligible grades and parent/guardian permission) will be posted on the CHS information board the week before the fall and spring deadlines. During this week, students are responsible for checking the lists to ensure their name is included. The Fall Honor Roll Lunch Validation deadline is September 7. The Spring Validation deadline is February 1. NO LATE PERMISSION WILL BE ACCEPTED. If you decline permission, but then change your mind, you must submit a request to [pbecerra@coppellisd.com](mailto:pbecerra@coppellisd.com) to make changes.

Questions about Honor Roll Lunch can be directed to any of the Board Members on the Honor Roll Lunch program listed on the PTSO website.
